

Many seniors have still not applied for their **FEDERAL ECONOMIC STIMULUS PAYMENT**

thinking that because they have no earned income they are not eligible.

That is NOT the case!

You have until October 15th, 2008

to send a tax form to the
Internal Revenue Service
and get a \$300 or more payment.

If you have received at least \$3,000 in social security benefits, veteran benefits, or earned income in 2007 (or a combination of all) you could be eligible for the stimulus payment.

It is very EASY to apply and The Pantry of Broward is here to help, at no charge. The Pantry of Broward is a registered social service agency that serves seniors on low-fixed incomes in Broward County.

**To apply for your tax rebate, please call
The Pantry of Broward at 954-358-1481**

and we will ask for the following information to complete the confidential form: your name, address, social security number and your total annual income. We will then mail the completed forms to you for your signature, including a stamped envelope with the IRS' address for you to submit the paperwork directly. Your application takes 6-8 weeks to process and the funds are sent directly to you or deposited in your bank account.

The IRS estimates that 20 million people who normally do not file tax returns - including many seniors - are eligible for this payment.

Of these, a little over half have submitted the necessary form.
